

STALMINE-WITH-STAYNALL PARISH COUNCIL

Update from the clerk 4th January 2024

Stalmine Play Ground Area

Playground inspections for December showed no issues.

Swing Barrier and Signage at Hall Gate Lane

I have spoken to Astro Signs, and they have produced the car park signage, posts and installation as agreed in previous council meetings. The cost will be £290.00 + VAT = 348.00, under my clerk's delegations I have commissioned this. I have also emailed North West Steel and they have informed me there has been a delay in their production process, installation should commence week beginning 15th January. Astro Signs and the bowling green chairman have been informed of this information. Once the barrier has been installed, I will co-ordinate with Astro Signs to have the signage in place, and up-date all external parties of the progress.

Plants Man

The plants man is due back from his winter break on the 16th January.

Coronation Recognition

Astro Signs are now producing the signage for the planter, I have asked him to concentrate on the barrier signage first which are more urgent.

Cllr Craig Finch

Wyre Borough Council have been notified and accepted Mr Finch's resignation from the council. A casual notice has been published on the council's website and placed in the notice boards. The time frame for this is now complete and the council can now co-opt on two new members.
