

STALMINE-WITH-STAYNALL PARISH COUNCIL

13 December 2021

CLERK'S REPORT

Parish wood

Tree felling work is scheduled to commence on 4 January – weather permitting. The public are reminded that notices will be placed in the wood prohibiting public access and that they should follow the instructions provided by the tree surgeons.

A588 Windy Harbour to Skippool

The latest newsletter showing both developments to date and planned developments can be found on the council's website under 'Other'.

Planters and beds

The boat adjacent to the A588 has been planted with winter flowering pansies.

Signage

Additional signage identifying the route of the Wyre Way near The Heads has been put in place.

New 'arms' indicating the mileage to Lancaster and Preesall have been installed at the junction of Moss Side Lane and the junction with Back Lane adjacent to the A588.
