

## **STALMINE with STAYNALL PARISH COUNCIL**

### **VOLUNTEER POLICY**

Stalmine with Staynall Parish Council acknowledges and values the support that volunteers provide to the local community. This policy sets out the broad principles for voluntary involvement in activities overseen by Stalmine with Staynall Parish Council. It will be reviewed annually to ensure that it is relevant to the needs of the Parish Council and its volunteers.

- This policy applies to volunteers working on behalf of, but not employed by, the Parish Council. Volunteers are unpaid and of their own free will contribute their time, energy and skills to benefit the community.
- Parish Council volunteer opportunities are advertised through Parish media, including the Focus magazine (Green Book), Parish Council notice boards, Face Book page, and the Parish Council website.
- Other volunteering opportunities that arise from the community must be authorised by the Parish Council. Volunteers must inform the Parish Council of the work they intend to undertake before commencing such work by contacting the Clerk.
- Volunteers are requested to respect neighbours and residents when carrying out voluntary work. If the nature of the work is such that it is potentially disruptive to others, it should only be carried out during sociable daylight hours, unless agreed with the council.
- Volunteers expect to be treated equally, regardless of their gender, race, age, faith, disability or sexual orientation.
- Volunteers must be adequately trained to be able to carry out the role. It must be sufficient to ensure their health and safety and, as far as reasonably practicable, that of any people who might be affected by the work. The Parish Council will work with the individual authorised to undertake the work to assess training needs and provide appropriate training as required.
- Volunteers must undergo an induction appropriate for the task being undertaken. This should include health and safety, what to do if there is a problem and an introduction to other relevant individuals. The Parish Council will work with the individual authorised to undertake the work to ensure appropriate induction takes place.
- A risk assessment must be undertaken in order to identify risks that might be faced and how they will be managed. The Clerk must receive a copy of such risk assessment records. The Parish Council will work with the individual authorised to undertake the work to ensure appropriate risk assessments are undertaken.
- On condition that volunteers are working on behalf of the Parish Council and at their direct request, then they will be insured under the Parish Council's Public Liability and Employer's Liability cover. However, the Council does not insure the volunteer's personal possessions against loss or damage and if volunteers use their

own tools or equipment the Parish Council cannot be held liable for any injury, loss or damage arising from a fault or defect with these.

- Sensible and appropriate protective equipment should be worn including stout footwear and high visibility vests.
- Expenses will be paid only with the prior approval of the Parish Council and after receipt by the Parish Council of paper receipts in respect of same. Provision of any safety equipment or clothing needs that are identified during the risk assessment process must be authorised in advance by the Parish Council.
- If volunteers are dissatisfied with any aspect of their work or wish to resolve a problem, contact should be made in the first instance with the Clerk or Chairman.
