Our awards are open to established voluntary or community groups, as well as new or informal groups of residents who are or intend by the date of application to become formally constituted.

INTRODUCTION

Under Part 1 of the Localism Act 2011, provision is made for local authorities to have a general power of

competence (GPC). This means that eligible parish councils in England can have the power to do anything that generally individuals can do. The power can be exercised in any way whatever, including:

- a. Anywhere in the UK or elsewhere
- b. For a commercial purpose or otherwise for a charge or without a charge, and
- c. For, or otherwise than for, the benefit of the authority, its area, or persons resident or present in the area

A parish council is eligible if it comes within the compass of the Parish Councils (General Power of Competence) (Prescribed Conditions) Order 2012. The Order lays down the eligibility criteria:

1. The council has resolved at a meeting of the council and each subsequent relevant annual meeting that it meets the conditions below.

2. (1) At the time a resolution under paragraph 1 is passed: (a) the number of members of the council that have been declared to be elected, whether at ordinary elections or at a by-election, is equal to or greater than two thirds of the total number of members of the council; (b) the Clerk to the parish council holds: (i) the Certificate in Local Council Administration; (ii) one of the other relevant qualifications.

3. WHAT CAN BE FUNDED?

- 3.1 The purpose of a grant given by the council is to support initiatives in the local community and to help create opportunities for the residents of Stalmine parish that are not, as a matter of course, funded by the council. The project should be something that makes the local community a better place in which to live, work or visit.

- 3.2 The council would prefer to provide financial assistance towards specific projects or purchases of equipment.
- 3.3 There must be clear evidence that local people support the project and are involved in carrying it out.
- 3.4 Grants can be provided as start-up awards for new organisations as well as grants for existing organisations.

- 3.6 Applications will be considered for day-to-day running costs and individual projects.

4. THE FOLLOWING ARE NOT ELIGIBLE

- 4.1 Support for private business projects.
- 4.2 Projects that are the prime statutory responsibility of other government bodies.
- 4.3 Projects that improve or benefit privately owned land or property.

- 4.7 “Upward funders”, i.e., local groups whose fundraising is sent to their central HQ for redistribution.

5. CONDITIONS OF SUPPORT

The council may make the award of any grant subject to all or some of the following conditions. Required conditions will be at the discretion of the council and take into account an organisation's individual circumstances.

- 5.1 In order to fully understand your project or activity, parish councillors may wish to visit your project or activity, prior to it commencing. They may also wish to conduct a site visit once your funded project is under way.
- 5.2 Grants cannot be made to cover money already spent in normal circumstances.
- 5.3 Where young people and children are involved the organisation must have a safeguarding children policy specific to that organisation.
- 5.4 Funding must be used only for the purpose agreed with the parish council and if the monies are not spent on the items agreed, they must be returned.
- 5.5 Funding must be spent within the financial year awarded and cannot be added wholly or partly to your reserves.
- 5.6 Any unused funds at the end of the financial year in which the grant is paid out must be returned to Stalmine Parish Council.
- 5.7 If your project costs are more than you anticipated on your application, any shortfall must be met by you – Stalmine Parish Council will not be in a position to make up any shortfall.
- 5.8 As a minimum, you will write to confirm receipt of the payment for audit purposes.
- 5.9 The need to provide evidence of expenditure (receipted invoices) to the clerk to the council on completion of your project where a grant of £500 or more has been awarded. For grants

below this amount the requirement for receipts will be discretionary – based on the purpose for which the grant was given. (If required, this evidence of expenditure should be equal to, or more than, the total of the amount of the grant detailed on your application.)

- 5.10 All applicants are treated equally. Organisations are not restricted in the number of grant applications submitted to the council for grant aid over a period of time, however, the history of previous applications will be considered in the decision-making process. A fresh application will be required each time.
- 5.11 No applicant may submit more than one grant application in a single financial year.
- 5.12 Due account will be taken of the extent to which funding has been sought or secured from other sources or own fund-raising activities. Further details of other organisations that may be supportive should be declared to the council when the application is made.
- 5.13 You **must** acknowledge Stalmine Parish Council's support in all publications, publicity and annual reports.
- 5.14 You should show the funding awarded separately in your published financial accounts and Stalmine Parish Council should have access to your financial records, on request, where appropriate.
- 5.15 A representative of your organisation should give a report at the Annual Parish Meeting (held on an evening between March and May each year) on how you spent the money and if appropriate how your project went and the benefit to the community.

6. WHEN TO APPLY

The parish council prepares its annual budget during November to January and agrees the grant funding that will be available in the next financial year.

Grant applications may be submitted at any time; however, they will be considered only twice a year, in:

November (closing date for receipt of applications is 25 October) and
June (closing date for receipt of applications is 25 May).

This is a competitive process against other bids and the quality of each bid is important.

7. HOW WILL DECISIONS BE MADE?

All bids will be judged after the closing date. Decisions will be made by Stalmine Parish Council in closed session. The council's decision is final. Unfortunately, the council may not be able to fund all projects as there may be more applications than there is money available, however all applications will be considered carefully. Due account will be taken of the extent to which funding has been sought or secured from other sources or own fundraising activities.

8. NOTIFICATION

The council will notify all applicants in writing as to whether they are successful/ unsuccessful within two weeks of the council's decision.

A list of successful applicants will be available on the parish council's website.
